Board of Directors Meeting November 19, 2015

The meeting was called to order at 7:00 pm, by President, Pete McCann.

Officers present: Pete McCann, Greg Beyler, Christine Grove, Frank Petricone, Harry Reiter, and Ron Breslawski.

Others present: Eddie Breslawski, Frank Waldron, and George Roesse, potential new member (PNM).

Treasurer's Report: Harry Reiter

As of November 12:

Income \$985

Expenses \$677

Net as of November 12 ... \$308

Major items of income were Black box and new member dues.

Major items of expense were tractor payment and utilities paid.

Harry reviewed with us allocation of funds, per the current budget. We have clay birds on order; per recent approval at general member meeting, and budgeted costs. These should be delivered in December.

North Star received a letter from Mercy Flight, for a donation. As we do every year, we approved a donation to them.

Membership: Ron Breslawski

Ron sent out four letters to some PNM, on the wait list. George Roesse attended our meeting, as a PNM. George was accepted by the Board, for membership!

WELCOME!

Frank Waldron attended the Board meeting, to apply for Life Membership.

Fred Sanfilipo also applied for Life Membership. Both Frank and Fred were approved; they meet the requirements.

Buildings, Grounds and Ranges Report: Frank Petricone

The large plastic tub covers that had been covering the automatic traps, to keep them better from the elements; Frank will remove these, and replace with the tarps that were previously on the traps. The large tub covers were not being put back on the machines in a careful manner, so the traps – wires, motors, etc. – were being damaged. So, to further eliminate the need for more costly repairs to the traps, the tarps will be put back on them.

Frank will purchase new trash cans for the ranges.

New Business: Pete McCann

We reviewed the flyer for the upcoming Hangover Shoot in January. There will be a price increase this year. We have not raised the rates since the inception of this shoot; this is year we will do it.

The meeting was adjourned at 8:10 pm.

In addition to the notes from the November 19 Board meeting ...

Major items of income were black box. A member made a donation to the Camp Rushford fund! THANK YOU! Major items of expense were final payment on the John Deere tractor! Targets for rifle league; trash cans on ranges.

Harry gave us some 'Accounting 101' on our budget for the year thus far. We are doing well!!

Membership: Ed Breslawski reported for Ron Breslawski

One new member approved, George Roesse. George was at our meeting, and was introduced.

Building & Grounds: Jim Rabjohn, Frank Petricone and Mike Kirchgessner reported

Thank you to Mike K. and Frank P. for re-stacking the wood that was taking out the wall on the sign in shed! This wood has been re-stacked and covered, to keep the wood dry. If you use the wood, please recover it to keep dry.

There are two new trash receptacles at the Ranges. If you are on the ranges and you notice these are getting full, please empty them in the dumpster. Thanks!

If you put paper targets on the boards at the ranges, when you are done, please remove them. This is so they won't blow off, and litter the property and/or come off in the rain/ snow.

As always please remember to pick up your used brass and shells.

The water/ drainage will be looked at in the Spring. For now, Frank is keeping the pipe unclogged; doing what we can.

Winter Rifle League: Frank Petricone

If you are interested in participating, drop your application and money in the black box in the club house.

Monroe County Conservation Council: Chris Wiest

Not much going on, other than what you hear in the news. The DEC is not sure at this time about the deer management for 2016; if they will bring back the 'antlerless' season again. They are also talking about an early muzzle loader season.

Club Calendar: Pete McCann

Hangover Shoot is coming up January 1. Sign up if you would like to work/help. We will serve Roast Beef! See flyer; tell your friends; come shoot!

New Business: Pete McCann

Pete talked about the New Offices, for the Board positions, for 2016. The 'nominating committee' called some members, to talk with them if they would be interested in running for a position on the Board.

A motion was made to accept this slate of open Board member positions, for 2016 ... this was accepted. These positions will still be 'voted' on/ approved at the January meeting, per the Constitution.
