Buildings & Grounds / Ranges Report: Frank Petricone

When you use the Ten Stand, please don't adjust any of the machines/ springs, to change the speed, etc. These machines are set up so that all shooters are able to shoot the clay birds at a reasonable speed. If you feel the need to adjust the springs to make the birds fly faster, then when you are done shooting, please re-adjust the machines back to the way you found them. But we would prefer that you don't adjust them; leave them as is. Thank you!

Club Calendar: Pete McCann

Right now, we plan to have the annual Hangover Shoot scheduled for New Year's Day, Monday, January 1, 2018. (We will confirm with our chief club cook, that this date is good for them/him!)

We will look at inviting other clubs/ get the word out, as this is a money making event for our club. More information to follow.

November 2017 NewsNotes

Treasurer's Report: Pete McCann reported for Harry Reiter (Harry attended the meeting late)

Income \$2,966

Expenses \$4,326

Net as of October 30: \$1,359

Items of income include Hunter's Tour event; food revenue; and black box. Expense items included the kitchen.

Hunter's Tour Recap: Pete McCann

We had a total of 170 league shooters; only 6 on Sunday! (the weather was bad) Total net for our club from this event was \$1,952. **THANK YOU to ALL** who helped over the Tour weekend!

Buildings and Grounds/ and Ranges: Frank Petricone and Pete McCann

Please help to break down cardboard in the cardboard dumpster, so we can fit more in there.

Please pick up after yourselves on the ranges and courses; pick up your empty shells and trash.

Remember to turn out the lights in the clubhouse when you leave! This will save your club money on utility bills; and prevent lightbulbs from burning out.

Boards need to be replaced on the Rifle range; from lots of activity, due to the time of year.

The Tuesday and Thursday groups should please try to cover the traps better when you are done shooting. The traps are being found exposed/ not covered well.

Especially this time of year with all the rain, and snow coming; we want to try to keep the traps covered up, out of the weather. Use the bungee cords provided, or other hardware, to secure the tarps on to the traps. If anyone thinks larger tarps are needed, we can look at that.

Sporting Clays course – remember to re-stock your birds! Ten Stand – batteries are in the process of being replaced on some/ all of the traps.

Issues on any of the ranges, remember to report them, so they can be addressed.

Preserve:

Currently there are no birds in the pen. The members are out there shooting their bird allotment.

Remember to be mindful of the Preserve members/ hunters on club property.

New/Old Business: Pete McCann

Board positions are coming up for re-election. Anyone interested in being considered for President, Vice President of Communications, VP Membership, Secretary, Treasurer, Field Captain and/or a Director, you have until the December general member meeting, Dec. 7, to let Mike Kirchgessner know.
