The Skeet houses are clean! Some wood repair needs to be done on the low house, if someone wants work hours.

Shady range looks good. Boards were replaced.

We also passed the Monroe County Health permit renewal inspection.

January 2018 NewsNotes

Treasurer's Report: Harry Reiter

Income \$2987.35

Expenses \$4056.32

Net as of January 4, 2018: -\$1068.97

Membership Report: Ron Breslawski

Ron introduced Mike Kelly - new member

welcome Mike! Ron states we currently have 159 people on the waiting list.

Bldgs. and Grounds: Frank Petricone

The skeet range and 10 stand course are both up and running. Be sure to check out the machines on the 10 stand course as you uncover them - the clip boards are underneath the covers.

A new menu has been created for the Sporting Clays Course - please make sure you cover them correctly after use, especially in these extreme weather conditions (also would not hurt to replenish the targets while the machines are uncovered).

The Western Trap was sold during the January 1st shoot. Thanks to Frank and Pete for this endeavor!

The Gator is prone to getting stuck in the deeper snow - use some caution if you need to use it ... its a long walk back to the barn if you need to get the ATV to pull it out (right Frank ?)

Archery : Dan Spencer

The archers are hibernating for the winter !

New Year's Day Shoot

The weather was "iffy" - 4 degrees below zero and a slight wind. Regardless, we still chalked up 91 rounds of sporting clays and served a great meal of beef, potatoes, corn, roll, and a drink. A hearty THANK YOU to all the club members who showed up to help put this together ... they all earned their "keep" with this shoot !

Hunter's Tour

Frank Petricone states the rescheduled date for the Hunter's Tour shoot in

Williamson is January 13 and 14. The temperature should be above zero by then - get out there and enjoy !

Preserve:

Dave Isaac and team have installed a heater in the water container in the pheasant pen ... Additional feed has been purchased. The preserve members can continue to hunt until April 15, 2018 - although the general consensus is they are done for the year.

Camp Rushford

Remember ... it is imperative anyone interested in sending a "youth" to this program MUST contact a member of the BOD for instruction on this procedure.

Old Business

The deadline date for the new Pistol Permit Recertification is January 31, 2018

New Business

John Lyon has been placed in charge of replacing the butcher knives in the kitchen. He has been given a budget of \$300 to purchase them. It should be noted, the club HAD a couple of nice knives in the kitchen for our carving needs, but apparently someone needed them more than we did - they have disappeared! Kinda' sad - don't ya' think ?

Bruce Newell has the makings of a log splitter he is willing to donate to the Club. He has everything (pump, ram, valve, etc) - all it lacks is a set of wheels and frame to put it on. Anyone interested in taking on this project should contact Bruce or Mike Kirchgessner.

Election of Officers

Since we received no nominations for the election, the existing officers/BOD members (with their approval) were voted on and accepted to be the incoming leaders of the North Star Sportsman's Club. Many thanks to this group, the time they spend keeping things "going" is critical and often may go unnoticed.

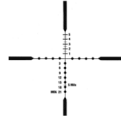

Harry Reiter won the drawing money goes to money ???

The meeting was adjourned at 8:07 with a nice "snack" of hot beef sandwiches. Hopefully everyone made it home safely - it was nasty out there!
