Elephants have been spotted out back where the clays course is. We are looking to put together a Safari group.

Anyone needing work hours, please contact Frank Petricone. Frank always has a project you can help with! He will be looking to put together a work party to move some traps for the upcoming Hunters Tour dates at North Star.

When you are on club property and you sign in on the sign in sheets, per Club policy ... PLEASE write your name legibly! IF we can't read your name, you won't get credit for work hours. Recently we found some names written down that we couldn't even guess who you were! We also want to use this information to find out what our members are using the club grounds for; so be sure to legibly write your name and why you were at the club. Thank you!

Camp Rushford: Nick Hardie and Christine Grove

UPDATE: At this time, the DEC still is not sure how 2021 Summer Camps will operate, IF they will operate. If you are thinking about enrolling a youngster in your life ... keep checking the Camp Rushford/ DEC website for updates. Typically, registration for Camp Rushford begins the end of January.

If summer camps happen and you enroll your child, grandchild, contact a BOD member as soon as you register and pay for them, so we know to 'hold' a reimbursement spot for you. The club potentially has money in the budget to send two youngsters to camp.

Club Calendar: Nick Hardie

At this time we will plan for our annual St. Patty's Day shoot; March 13. If you are interested in signing up to help, let Nick or someone on the BOD know, so we can put your name on the list. Due to covid, we can't for sure say this shoot will take place. We will continue to monitor state rules and regulations, to put a plan in place that will work with restrictions, as necessary. Donuts and coffee would potentially be provided for workers.

Hunter's Tour dates for North Star are planned for April 24 and 25.
