Ten Stand: the tower machine has been taken offline.

The Rabbit machine is out of service for now.

Depending on participation, Frank may or may not extend this through the summer months. Come out, shoot, have fun; bring friends!

Skeet – beware of wasps and hornets in the house(s).

There is spray out there to use.

THANK YOU to Paul and Rhonda Russo for stocking the clays course!!

If you need work hours ... usually we need someone to weed wack! There is one at the club, with fuel under the work bench; OR bring your own to use. The front of the club; out at the road; shady range; skeet area; the clays course all need it. BUT PLEASE be mindful of the cords out on the clays course range/traps. Please don't cut a cord ... but accidents happen; let us know if something happens. Thank you!

Also cutting grapevines would be helpful. WATCH for poison ivy!!!

ntified and is in the stages of being decided how best to fix for now. THANK YOU Mike Kirchgessner and Dakota Castrechino for doing the legwork on this; looking in to the issues; getting pricing and giving expert opinions. There is still more work to be done before we can fix this.

Please be mindful when using the toilets in the club house. They are ok to use ... just be nice to them.
